

SBAC Training Test Directions

Start with logging into the link below:

<http://sbac.portal.airast.org/practice-test/>

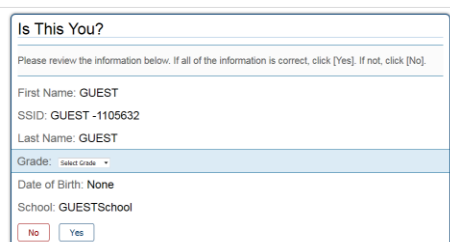

Here are the screens you will see once you click on the link:

1) Leave the default settings that populate.

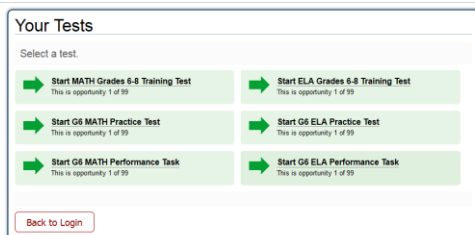

The 'Please Sign In' screen features two sections: 'Guest User' and 'Guest Session'. The 'Guest User' section contains input fields for 'State-SSID' (with a placeholder 'GUEST' and an example '(ex: ST-9999999123)') and 'First Name' (with a placeholder 'GUEST'). The 'Guest Session' section contains a 'Session ID' field with a placeholder 'GUEST' and a 'Sign In' button. At the bottom, there is a note: 'To log in to the Practice Test, simply select [Sign In], then navigate through the login screens.' and a 'Run Diagnostics' link. The browser version is identified as 'Firefox v44.0'.

2) Again, leave the default settings that populate and select the grade level you would like:

The 'Is This You?' screen displays a summary of the user's information: 'First Name: GUEST', 'SSID: GUEST -1105632', and 'Last Name: GUEST'. Below this is a 'Grade' dropdown menu currently set to 'select Grade', a 'Date of Birth' field set to 'None', and a 'School' field set to 'GUESTSchool'. At the bottom are 'No' and 'Yes' buttons.

3) Select 'Training Test'. You'll see the training test encompasses a grade level span. For this screen shot, I selected grade 6 in the previous screen so you see that the training test is for grades 6-8. If you select grade 4, you will see a training test for grades 3-5.

The 'Your Tests' screen shows a grid of six test options, each with a green arrow icon and the text 'This is opportunity 1 of 99'. The options are: 'Start MATH Grades 6-8 Training Test', 'Start ELA Grades 6-8 Training Test', 'Start G6 MATH Practice Test', 'Start G6 ELA Practice Test', 'Start G6 MATH Performance Task', and 'Start G6 ELA Performance Task'. A 'Back to Login' button is located at the bottom left.

4) Leave the default settings as these are the ones that are available for all students.
